

RAILBLAZA®
HOLD EVERYTHING...

OUR STORY

Welcome to RAILBLAZA,

Enhance, customize and swap out fishing and boating accessories held tight on innovative, interconnecting, mounting systems.

RAILBLAZA is revered by anglers, paddlers, boaters, and those who live for quality time on the water and exploring the great outdoors.

Headquartered in New Zealand, with operations in the USA, the company is 100% vertically integrated across design, tooling and manufacturing. These capabilities provide agility to realize new innovations, delight customers with swift delivery and provide outstanding service and support.

RAILBLAZA products are designed and proven worldwide to deliver fantastic user experiences and last the distance. Sustainability through durability and respect for our lakes, waterways and oceans is paramount for the RAILBLAZA team. This is achieved through innovative

design, advanced material selection, a lean manufacturing ethos and responsible packaging.

RAILBLAZA is conscious of minimizing environmental impacts by actively reducing waste, designing for strength and reliability with fewer materials, and ensuring replacement parts are accessible to further extend usable life.

Tough, glass fiber reinforced engineering polymers are key RAILBLAZA materials injection molded for use across the products. The advantages include impressive strength and high UV resistance to not embrittle or discolor in harsh outdoor environments.

RAILBLAZA is the preferred choice to hold everything and deliver the best experiences on the water.

STARPORT MOUNTS

**Enhance and customize
boats, kayaks, inflatables,
vehicles and more.**

StarPort

Where it all begins, low profile mounts to attach and swap out RAILBLAZA accessories.

- Surface or recess mounting
- Horizontal or vertical mounting
- Minimal intrusion depth
- Locking - easy release feature
- Gasket and bung to reduce water ingress
- Made from high grade engineering polymers
- Stainless steel fasteners included.

Easy Release
Feature

03-4015-21
White

Twin Pack
03-4001-11 Black x 2
03-4001-21 White x 2

SidePort

The ideal mount for gunnels on smaller aluminum boats or vertical cockpit wells on kayaks.

[Click to explore STARPORT](#)

[Click to explore SIDEPORT](#)

StarPort HD

Incorporates the four hole base pattern common to many mounting brands including Scotty, RAM, Cannon, Fish-On.

- Heavy Duty
- Low profile
- Stainless steel fasteners included (may also be attached using self tapping screws, long tri grip rivets or rubber well nuts).

03-4046-11

CleatPort

A practical cleat with added StarPort versatility.

- StarPort locking slide secures accessories in place
- The polymer cleat is suitable for light loads on kayaks and small craft.

03-4044-11

STARPORT RAIL MOUNTS

Enhance pontoon boats, kayaks, inflatables and more.

RailMount 19-25

- Clamps around a rail. No holes required
- Fits 3/4" (19mm) or 1" (25mm) diameter rails
- Includes adapters, rubber grips, self-adhesive grip tape, and fasteners

RailMount 32-41

- Clamps around a rail. No holes required
- Suits round and square 1 1/4" (32mm) or 1 5/8" (41mm) diameter rails
- Suits Hobie AKA and H-Rail

RailMount 32-41
fits round 1 3/20" (30mm) - 1 4/25" (41mm) rails, and square 1 1/4" (32mm) rails

Combo pack 03-4013-11 Black RailMount & StarPort
03-4013-21 White RailMount & StarPort

Pontoon Boat RailMount

Easily add StarPorts to pontoon boats

- No interference with the rail wall
- Screwed together to clamp around a rail. No holes required
- Fits square rails 1 1/8" (28mm) or 1 1/4" (32mm)
- StarPort locking slide secures accessories in place

Bimini RailMount

Secure attachment to round and square tube bimini tops.

- Screwed together to clamp around a bimini edge
- No holes required
- Installed without damage to a bimini top
- Fits square rails 1 1/8" (28mm) or 1 1/4" (32mm)
- Fits round rails 3/4" (19mm), 7/8" (22mm), or 1" (25mm)
- Not recommended for Rod Holders, Camera Booms or Flag Poles

STARPORT ADHESIVE MOUNTS

No holes, no fasteners, just stick it.

RIBPort

Add StarPorts to any inflatable, RIB, SUP, kayak, or locations where holes must not be drilled.

- 3M VHB peel and stick for easy installation
- Adheres to Hypalon, PVC, fiberglass, painted surfaces, and more
- May also be attached using a two pot inflatable boat glue.

QuikPort

Ultra compact StarPort convenience for smaller, light weight accessories.

- 3M VHB peel and stick for easy installation
- Adheres to Hypalon, PVC, fiberglass, paints, aluminum, and more
- 3 1/2" (90mm) diameter, fits tighter spaces than the RIBPort.

STARPORT TRACK MOUNTS

**Expanding the options for
accessory positioning.**

TracLoader

Tool-free track and gunnel mounts adding accessories to boats and kayaks without drilling holes.

- Fits gunnel track systems including Crestliner SureMount, Tracker VersaTrack, Lund Sport Trak, Lowe Boats, Princecraft PrinceTrak, Xpress Boats, War Eagle, G3, Ranger & more
- Fits kayak tracks on Hobie, Wilderness, Jackson, YakAttack, Galaxy, Ocean Kayak, Native & more
- Fits RAILBLAZA TracLoader Gunnel Tracks and Expanda Track
- Locking slide secures accessories in place
- Each TracLoader ships with two sets of track bolts.

03-4129-11
TracLoader StarPort

03-4128-11
TracLoader SidePort

TracLoader45

45° gunnel track StarPort.

- Tool-free installation, easily fitted and repositioned
- Fits gunnel tracks found on LUND, LOWE, EXCEL, Express, G3, Ranger, War Eagle and early model Crestliner boats
- Rotate 180° to position horizontally or vertically.

Supplied with
T Bolt option only

TracLoader Gunnel Track

Swiftly swap out and reposition numerous accessories for complete flexibility.

- Anodized aluminum
- Pre-cut mounting slots
- Width 1. 3/5" (40mm). Height 3/5" (15mm)
- Includes fastenings and end caps.

03-4127-11
TracWedge StarPort

Additional parts for
larger channels

Kayak Expanda Track

- Suits the RAILBLAZA MiniPort TracMount and TracLoader mounts
- Modular, can be expanded
- Manufactured from robust reinforced nylon
- Corrosion and UV resistant.

MiniPort TracMount

Swiftly and easy rigging of accessories onto kayak tracks.

- Tool-free installation
- Fits kayaks tracks including those installed onto Hobie, Wilderness, Jackson, YakAttack, Galaxy, Ocean Kayak and Native Watercraft.
- Fits RAILBLAZA Expanda Track
- Locking ring secures accessories in place.

03-4108-11

TRACPORT SERIES

TracPort Dash series

Hold more along the adjustable dash tracks.

- TracPort Dash 350 provides three StarPorts mounted to one
- TracPort Dash 500 provides four StarPorts mounted to two
- StarPorts can be slid and repositioned along the track
- Add further StarPorts with the StarPort TracMount Kit.

03-4101-11
StarPort TracMount Kit

03-4103-11
TracPort Dash 350

STARPORT ELECTRONICS MOUNTS

Platforms to match and hold fish finders and more.

Rotating Platform S

- For electronics with square and round bases.
- 360° rotation
- 4 x 4" (102x102mm).

02-4021-11

Fish finder Mount R-Lock S

- For electronics with square and round bases
- Adjustable to suit complex mounting locations
- Lockable friction joints top and bottom
- Holds up to 3.3lbs (1.5kg)
- 4 x 4" (102x102mm)
- Height 6 7/10" (170mm).

02-4140-11

Rotating Platform R

- For electronics with U brackets
- 360° rotation
- 6 1/4 x 2 3/10" (160x60mm).

02-4136-11

Fish Finder Mount R-Lock R

- For electronics with U brackets
- Adjustable to suit complex mounting locations
- Lockable friction joints top and bottom
- Holds up to 3.3lbs (1.5 kg)
- 6 1/4 x 2 3/10" (160x60mm)
- Height 6 7/10" (170mm).

02-4141-11

Lowrance HOOK2 Fish Finder Mount R-Lock

- For Lowrance HOOK2 4x and 5x
- Solves complex mounting locations
- Lockable friction joints at each end
- Height 6 7/10" (170mm).

02-4142-11

Lowrance HOOK2 Adaptor

- For Lowrance HOOK2 4x and 5x
- Height 3 3/20" (80mm)

02-4143-11

RAILBLAZA HEXX™ ELECTRONICS MOUNTS

The heavy duty choice to support large fish finders.

HEXX Rotating Platform

Solid, rotating, removable and elegant mount for larger fish finders from Humminbird, Lowrance, Garmin and more.

- Holds up to 11lbs (5kg)
- 90° platform rotation
- Compact mounting footprint
- Swift tool-free removal offers security for valuable electronics
- High strength, UV stabilized engineered polymer construction
- Stainless fasteners included
- 10" x 3 2/5" x 3" (252x86x75mm)
- 1 x HEXX Base included.

HEXX Base

Easily move Fish finder locations.

- 3 3/10" (85mm) x 1 1/10" (28.8mm)
- Stainless fasteners included

07-4180-11

11-4175-11

HEXX Fish Finder Mount

Removable, adjustable, high load mount
for Fish finders up to 12".
Stable and solid for large electronics.

- Holds up to 6.6lbs (3kg)
- 90° rotation / 90° base rotation
- 180° tilt
- Adjustable to suit complex mounting locations
- Compact footprint for mounting in tight areas
- Swift tool-free removal secures for valuable electronics
- High strength, UV stabilized engineered polymer construction
- Stainless fasteners included
- 10" x 3 2/5" x 5 7/10" (252x86x145mm)
- 1 x HEXX Base included.

11-4174-11

HEXX LIVE SONAR TRANSDUCER MOUNTS

The best fishing experience with Lowrance, Garmin, and Humminbird.

HEXX Live Pole

View more action below the water in real-time. HEXX Live Pole attaches to the deck and is swung into the water enabling a live transducer to be aimed at underwater targets.

After use, HEXX Live Pole is swung out of the water for deck storage or easily removed, folded, and stowed.

- Fits Lowrance, Garmin and Humminbird transducers
- Easy 360° degree rotation to follow targets
- Stable up to 5 knots of boat speed
- Direction indicator shows transducer aim
- Adjustable inboard and outboard
- Unlock to rotate in and out of the water
- Stows on deck or detaches completely
- Tool-free adjustment.

Live sonar technology displays high-resolution images of targets in real time moving in and around structure as they respond to lure presentations.

With immediate feedback, anglers can search for target species, adjust the presentation to trigger a strike, and know if more than one predator fish is active in the area.

Live Pole is swift to deploy

1. Pictured folded on deck

2. Slide outboard and unfold

3. Lift lever to unlock and rotate to deploy into the water

HEXX Live Pole 60

Perfectly places the soft grip handle near hip height for easy operation when installed on powerboats.

HEXX Live Pole 60 secures to the deck and is swung into the water enabling 360° aiming of live transducers towards underwater targets.

- 61" (1550mm) overall length
- 32 7/10" (830mm) folded length
- 1 x HEXX Base included.

Fits Lowrance,
Garmin and
Humminbird live
sonar transducers

HEXX Live Pole 30

Easily install and control live sonar transducers on kayaks, canoes and dinghies with low freeboard.

HEXX Live Pole 30 provides a removable attachment and 360° aiming to identify targets, then rotates out of the water when not in use.

- 30 1/4" (768mm) overall length
- 1 x HEXX Base included.

STARPORT ROD HOLDERS

**Robust, reliable and
proven worldwide.**

Rod Holder II

Robust and highly adjustable to secure a rod in almost any position.

- Suits spinning, bait caster, boat and fly reels
- Rotating collar reduces 'strike-theft'
- Gimbal lock reduces rod rotation;
Lift to slide rods through.
- Adjustable 360° around, over 90° vertical
- Always use a tether.

SPOOLING STATIONS

**Swiftly respool on the go
or at the work bench.**

*"I can spool however many
reels I need, its super easy to
use and change the spool over."*

Ott DeFoe - Major League Fishing
Professional Angler & RAILBLAZA Pro.

Easy to use, compact, one person
devices to effortlessly respool fishing
reels on the boat or workshop.

- Height adjustable shaft holds spools
up to 2" (50mm) thick with a diameter
of up to 4 1/2" (115mm)
- Adjustable orientation allows to
pivot and point the spooling station
towards a rod tip
- Spool line retention clip prevents the
spool unraveling when not in use
- Integrated brake for adjustable spool
tension
- Fold back tether point to hold the
spooling station closed. Ideal for
folding away in a cupboard or locker.

TrackMount Spooling Station

A tool-free installation onto the gunnel tracks
of aluminum fishing boats including Tracker
VersaTrack, Crestliner, LUND Sport Trak, LOWE
Boats, Princecraft PrinceTrak, Xpress Boats, War
Eagle, EXCEL Boats, G3, Ranger, Horizon & Stessl
Boats Australia (2020 onwards).

MOTOR MOUNT

Universal Kayak Motor Mount

Swift and easy installation onto a wide range of kayaks.

- Suitable for, but not limited to, transom mount motor from Minn Kota, MotorGuide and Water Snake
- Pole Length: 38 1/2" (980mm)
- Motor Pad size: 6 3/10" x 7" (160 x 180mm)
- Includes 2 x StarPort HD.

G-Holds

Suits a wide range of gear such as torches, knife sheathes, boat hooks, oars, gaffs and more.

- 3 diameters 1 3/10", 2", 3" (35mm, 50mm, 75mm).

02-4026-11 1 3/10" (35mm)
02-4027-11 2" (50mm)
02-4028-11 3" (75mm)

GunHold

Safely stow and transport rifles, shotguns, spearguns, bows and more.

The flexible rubber fingers align to the shape of different butts, then straps down to secure against vibration and damage. Sold individually, two GunHolds are recommended per item.

RAILBLAZA strongly recommends GunHolds are used in accordance with the firearms laws of the applicable jurisdiction.

02-4052-11

POLE & PADDLE MOUNTS

QuickGrip Push Pole Holder

- Clamps tightly to push pole
- Fits pole diameters;
1 1/8" to 1 3/8" (28mm) and 1 1/4" to 1 5/8" (32mm)
- Rotates 360° - Pivots 180°
- Includes 1 x StarPort.

04-4116-11
28mm (1 1/8" to 1 3/8")

KAYAK & CANOE CARTS

The ultimate cart evolved.

C-Tug R with Kiwi Wheels

Introducing the evolution of the world's best selling kayak and canoe cart, C-Tug R with adjustable hull rails to set the perfect carrying position.

C-Tug R expands the possibilities and fits a wider selection of hull shapes including pontoon hulls like the Hobie Pro Angler, Hobie Outback and more.

- Dismantles to fit inside a kayak hatch
- 20" (500mm) hull rails with non-slip rubber pads
- Made from tough reinforced polymer
- Stainless steel reinforced axles
- Puncture-free Kiwi Wheels with hi-grip rubber tread
- 9' (2.8m) strap with aluminum buckle
- Adjustable kick stand
- Light weight 8.8lbs (4kg)
- 220lbs (100kg) Static loading (will vary with dynamic loading on different terrains)
- 5 year warranty.

Suits hull shapes with these typical cross sections

50-0010-71

SANDTRAKZ®
All-Terrain

*Soft Sand - no problem
move with ease.*

C-Tug R with SandTrakz

The evolution continues with C-Tug R's adjustable hull rails paired with SandTrakz wheels. The SandTrakz all terrain mimic bulldozers and military vehicles by compressing under load to provide a longer track length, reducing the chance of digging in and reducing the pulling load. SandTrakz delivers an easy portage across soft sand plus a smooth ride on hard surfaces.

- Dismantles to fit inside a kayak hatch
- 20" (500mm) hull rails with non-slip rubber pads
- Made from tough reinforced polymer
- Stainless steel reinforced axles
- Puncture-free SandTrakz All Terrain Wheels
- Half the pulling effort of Kiwi Wheels
- 9' (2.8m) strap with aluminum buckle
- Adjustable kick stand
- Light weight 10lbs (4.6kg)
- 170lbs (80kg) static loading (will vary with dynamic loading on different terrains)
- 2 year warranty on SandTrakz wheels
- 5 year warranty on all other parts.

50-0014-71

C-Tug R Conversion Kit

Convert a classic C-Tug cart with a pair of adjustable hull rails. Adjust to the perfect position to reduce pulling load and get on the water faster.

- 2 x 20" (500mm) width adjustable non-slip hull rails
- Compatible with Kiwi Wheel and SandTrakz carts.

50-0012-71

KAYAK & CANOE CARTS

The ultimate cart.

C-Tug with Kiwi Wheels

C-TUG continues to amaze with its rugged appeal, incredible strength and market leading design. Built to last and proven on all terrains, C-TUG requires no tools and assembles and dismantles in seconds to stow in a kayak hatch and take the next destination.

- Dismantles in seconds
- Fits inside hatches
- Made from tough reinforced polymer
- Stainless steel reinforced axles
- Rubberized hull pads
- Tool-free assembly
- Puncture-free Kiwi Wheels with hi-grip rubber tread
- 9' (2.8m) strap with aluminum camlock buckle
- Adjustable kick stand
- Light weight 10lbs (4.3kg) and easy to handle
- 260lbs (120kg) static loading (will vary with dynamic loading on different terrains)
- 5 year warranty.

50-0001-71

C-Tug with SandTrakz

Easy portage across soft sand. The SandTrakz outer rim compresses to mimic bulldozers and military vehicles and reduce pulling effort, then acts as suspension to smooth the ride on hard surfaces.

- Fits inside hatches
- Dismantles for easy stowing
- Puncture-free SandTrakz wheels
- Rubberized hull pads
- Adjustable kick stand
- 2.8m (9') strap with aluminum camlock buckle
- 170lbs (80kg) static loading (will vary with dynamic loading on different terrains)
- 2 year warranty on SandTrakz wheels
- 5 year warranty on all other parts.

50-0006-71

SANDTRAKZ®
All-Terrain

**Soft Sand – no problem
move with ease.**

DINGHY WHEELS

C-Tug Dinghy Wheels

Low rolling resistance, large diameter wheels for easy transport up the beach or boat ramp without lifting the heavy load. Ideal for inflatable tenders or aluminum boats.

- 10" puncture free wheels, easily removable
- Easy installation & assembly
- Easy lock and unlock
- Made from UV resistant glass reinforced polymer
- Stainless steel fasteners and axles
- Lightweight 9lbs (4kg) per pair
- For boats up to 12' (3.6m)
- For use with outboards up to 15HP (2 stroke) or 9.9HP (4 stroke)
- Recommended working load up to 220lbs (100kg)
- Recommended maximum static load 260lbs (120kg)

Note - Load rating varies on different surfaces.

50-0009-51
Pair of C-Tug Dinghy Wheels

C-Tug Double Up Bar

Join two C-Tugs together to spread the load and carry heavier kayaks and boats.

- Easily disassembled
- Supplied with 2 x extended straps
- Supports up to 350lb (160kg) static loads
- Provides balance without heavy lifting
- Wheels remain close for ease of turning
- Fits any C-Tug.

50-0007-71

1 x Double up Bar,
2 x Straps

(C-TUGS ordered separately)

For C-Tug Double Up Order:

- 2 x 50-0001-71 C-Tug Carts
- 1 x 50-0007-71 Double Up Bar

For SandTrakz Double Up Order:

- 2 x 50-0006-71 SandTrakz Carts
- 1 x 50-0007-71 Double Up bar

C-Tug 15ft Tie Downs

A pair of quality 15ft tie-downs to easily secure kayaks, SUP's, surfboards, dinghies, and more to roof racks and trailers.

Rubber-coated aluminum cam buckle to protect loads and vehicles. Ultra tough, UV and abrasion resistant polyester webbing.

- 15' x 1" (4.6m x 25mm)
- Can be cut to length
- 385lbs (175 kg) Lashing Capacity
- 770lbs (350 kg) Break Strength
- Meets Australian Standard AS/NZS 4380
- Suitable for use as a C-Tug strap extender
- Supplied in pairs

50-0013-11
